LESSOR shall provide prompt written notification to LESSEE when any such space becomes available. The LESSEE shall have thirty (30) days following the receipt of such notice within which to provide written notice to the LESSOR of its desire to exercise such option. After the LESSEE obtains all approvals necessary in order to exercise the option, including that of the State Properties Review Board, and so notifies the LESSOR in writing, the LESSOR shall have thirty (30) days within which to complete the tasks set forth in Section 5.01 with respect to said additional space. The commencement date of the lease of said additional space shall be the date upon which the LESSEE provides written notification to the LESSOR of the LESSEE'S approval pursuant to Article 13, Notices. Any unreasonable and material damage to the Demised Premises caused by such removal shall be repaired by the LESSEE. The LESSEE shall remove all such property within a reasonable time and in accordance with applicable laws. The LESSEE shall continue to be bound by the provisions of Article 2 until all property is removed.

3.07 SURRENDER OF DEMISED PREMISES

At the expiration or other termination of this lease, the LESSEE will surrender the Demised Premises in the same condition as existed at the time of commencement of the lease, excepting therefrom reasonable use and wear, damage by the elements, fire or other unavoidable casualties, and any alterations or additions which may have been made by the LESSOR or by the LESSEE with the written consent of the LESSOR, and which were made with the understanding that they would not be removed by the LESSEE.

4.01 COMPLIANCE WITH APPLICABLE LAWS

The LESSOR, LESSOR Parties (as defined in Article 7 (Indemnification; Duty to Defend)) and LESSOR'S contractors shall comply fully with all applicable Connecticut Statutes, regulations, codes, rules and executive orders. These shall include but are not limited to, the non-discrimination provisions set forth in: (a) Article 18 (Nondiscrimination Provisions) of this lease; (b) Title 4b, Chapter 60a, of the Connecticut General Statutes concerning security for State facilities; (c) State building and life safety codes; and (d) the Americans with Disabilities Act of 1990, as it may be amended from time to time (the "ADA"). Failure to comply with any of the above shall constitute a default by the LESSOR and the LESSEE may take any and all actions as are permitted by law.

4.02 CONDITION OF THE DEMISED PREMISES

The LESSOR covenants that the Demised Premises presently and at all times during the term of this lease, shall comply fully with all applicable Federal, State and local laws, rules, codes, regulations and adopted guidelines, all at no cost to the LESSEE. The LESSOR covenants that the Demised Premises shall continue to be in compliance with same during the term of this lease and any renewal term or other extension of the lease term. The cost to cure any non-compliance shall be at the sole cost and expense of the LESSOR.

4.03 ENVIRONMENTAL AFFIDAVIT

If the construction of the Total Premises was completed prior to January 1, 1980, then the LESSOR shall, prior to the execution of this lease and as a condition precedent to the commencement date of this lease, procure and deliver to the LESSEE a certification by a professional engineer licensed in Connecticut stating either that the Demised Premises are free of asbestos containing materials ("ACM") or that any existing ACMs are encapsulated in compliance with applicable State and Federal laws and regulations, including, but not limited to, those of the Occupational Safety and Health Act ("OSHA"), the State of Connecticut Department of Environmental Protection and any relevant Environmental Protection Agency ("EPA") regulations, guidelines and procedures. The professional engineer shall be acceptable to the LESSEE. If the LESSOR fails to deliver this certification on or before seven (7) days after this lease is ready for execution by the LESSOR, then this lease and all discussions and negotiations concerning this lease shall be of no force or effect and shall be treated as if they had never existed or taken place and no liability of any kind or for any purpose shall attach to the LESSEE concerning this lease, the Demised Premises or any negotiations relating thereto.

4.04 INDOOR COMFORT

The LESSOR shall provide and maintain the heat, ventilation and air-conditioning ("HVAC") systems in accordance with all applicable Federal, State and local laws, rules, codes, regulations and adopted guidelines. Air handling units ("AHU's") shall run continuously during operating hours with required outside air capacity. LESSEE, in its discretion, may change those hours of operation from time to time.

Subject to the limitations in Section 4.05 below, the LESSOR shall maintain, at its sole cost and expense, all systems, including mechanical, electrical and plumbing, as per applicable codes and guidelines.

4.05 DUTY TO MAINTAIN AND REPAIR

If the LESSOR fails to make any necessary repairs within a reasonable time after notice from the LESSEE as provided hereinafter, the LESSEE may withhold rent and make the necessary repairs and deduct the cost thereof and expenses connected therewith from rents due or to become due under the terms of this lease or may recover all or any portion of such cost and expenses by other appropriate means.

If the LESSOR has any other obligations under this lease that the LESSOR fails to fulfill within a reasonable time after notice from the LESSEE, the LESSEE shall give written notice, in the manner provided herein and in Article Ten (10) of this lease, to LESSOR and each mortgagee as identified in Article Ten (10) of this lease, of any default of LESSOR hereunder, and LESSEE shall allow such LESSOR and/or mortgagee a reasonable length of time (in any event not more than sixty (60) days from the date of such notice) in which to cure any default. If the nature of the default is such that it cannot reasonably be cured within the period of sixty (60) days, and work thereon shall be commenced within said sixty (60) day period and diligently prosecuted to completion, then the LESSEE shall not have any right to withhold rental payments or make the necessary repairs itself.

However, if the LESSOR and/or mortgagee fail to fulfill the LESSOR'S obligations under this lease in the manner provided above, then LESSEE shall give thirty (30) days written notification to LESSOR and mortgagee of default. If LESSOR and mortgagee fail to fulfill the LESSOR'S obligations under this lease in the manner provided herein, within said thirty (30) days of written notification to LESSOR and mortgagee by LESSEE, or fail to diligently commence to cure said default within said thirty (30) day period and diligently prosecute same to completion, then LESSEE in its discretion and without further notice may withhold rent and make the necessary repairs and deduct the cost thereof and expenses connected therewith from rents due or to become due under the terms of this lease or may recover all or any portion of such cost and expenses by other appropriate means.

The LESSOR shall be responsible to move all furniture, fixtures and equipment at its sole expense. The LESSOR shall not be responsible for the moving of the LESSEE'S computer data equipment or the personal effects of LESSEE'S employees. The work shall be accomplished during the LESSEE'S non-operating hours in a good and workmanlike manner and so as not to unreasonably interfere with the conduct of LESSEE'S business. In case a conflict or a difference in interpretation arises between or among any of the terms and conditions of Exhibit C and this Section 4.06, then such conflict or difference shall be resolved in favor of the terms and conditions set forth in Exhibit C.

The carpet shall be commercial quality, wall-to-wall or carpet squares, as the LESSEE may require, 100% nylon, tufted, level loop with permanent anti-static and soil hiding features. The LESSOR shall paint interior walls every five (5) years, with a high quality national brand latex paint and complete said painting within ninety (90) days of the anniversary date of the commencement of the lease term, and complete thorough touch up within ninety (90) days of the third lease anniversary date following such initial painting, all at its sole cost and expense. The LESSOR shall move all furniture, fixtures and equipment at its sole cost and expense. The LESSOR shall not be responsible for the moving of the LESSEE'S computer data equipment or the personal effects of LESSEE'S employees. If the LESSOR does not do so or fails to do so with reasonable diligence, the LESSEE, in its discretion, may withhold rent and make the necessary repairs, and recover the cost thereof, in accordance with the provisions of Article Four (4) of the lease. Unfit shall mean that the property is not in compliance with applicable law or any applicable maintenance, repair and replacement provisions of this lease and such failure prohibits LESSEE from using the demised premises for the uses currently being conducted thereon by the Judicial Branch, provided such failure is not a result of the acts of omissions of the LESSEE. For any period that the said demised premises or any part thereof is unfit for the purposes leased, the rent shall be abated in proportion to the area determined by the LESSEE to have been rendered unavailable to the LESSEE by reason of such condition.

4.09 FAILURE TO FULFILL OTHER OBLIGATIONS

If the LESSOR has any other obligations under this lease that the LESSOR fails to fulfill within ten (10) days after the date of notice from the LESSEE, the LESSOR shall not be entitled to receive any rent or additional rent during such period. The LESSEE, in its sole discretion and without further notice, may withhold any rental payments during such period of failure. becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Commission, the contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.

(2) The contractor agrees to comply with the regulations referred to in this section as they exist on the date of this contract and as they may be adopted or amended from time to time during the terms of this contract and any amendments thereto.

This section is inserted in this contract in connection with subsection (a) of Section 4a-60 of the General Statutes of Connecticut, as revised.

(1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or of the State of Connecticut. The contractor further agrees to take affirmative action to ensure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved; (2) the contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the contractor, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the Commission; (3) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the Commission advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (4) the contractor agrees to comply with each provision of this section and Sections 46-68e and 46a-68f and with each regulation or relevant order issued by said Commission pursuant to Sections 46a-56, 46a-68e and 46a-68f; (5) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor as relate to the provisions of this section and Section 46a-56. If the contract is a public works contract, the contractor agrees and warrants that he will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on such public works project.

For purposes of this section, "minority business enterprise" means any small contractor or supplier of materials fifty-one percent or more of the capital stock, if any, or assets of which is owned by a person or persons: (1) who are active in the daily affairs of the

"Good faith efforts" shall include, but not be limited to, those reasonable initial efforts necessary to comply with statutory or regulatory requirements and additional or substituted efforts when it is determined that such initial efforts will not be sufficient to comply with such requirements.

Determination of the contractor's good faith efforts shall include, but shall not be limited to, the following factors: The contractor's employment and subcontracting policies, patterns and practices; affirmative advertising, recruitment and training; technical assistance activities and such other reasonable activities or efforts as the Commission may prescribe that are designed to ensure the participation of minority business enterprises in public works projects.

The contractor shall develop and maintain adequate documentation, in a manner prescribed by the Commission, of its good faith efforts.

The contractor shall include the provisions of subsection (a) of this section in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the state and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the Commission. The contractor shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions, including sanctions for noncompliance in accordance with Section 46a-56; provided, if such a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Commission, the contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.

The contractor agrees to comply with the regulations referred to in this section as they exist on the date of this contract and as they may be adopted or amended from time to time during the term of this contract and any amendments thereto.

The LESSOR shall provide an itemized construction cost breakdown as per Section IV ("Cost of Planning, Design and Construction").

ADDITIONAL RENT

The LESSEE shall pay as additional rent of thirty-seven and fourteen hundredths percent (37.14%%) of any real property tax increases on the Demised Premises during the term of occupancy that exceed the Base Taxes. The term Base Taxes is defined as those taxes levied on the Demised Premises pursuant to the assessed value in effect on the date following the first 100% assessment of the Demised Premises as improved for the LESSEE, provided that:

- (a) none of the escalation provisions in this Exhibit shall apply unless and until the LESSOR is in compliance with each and every renovation and improvement provision of this lease. In no event shall the LESSEE be liable for any tax increase based on a partial tax assessment in any tax year.
- (b) such real property tax increase includes an assessment of the property as fully improved in accordance with the approved plans and specifications and further reflects the termination of any municipal action or program to "phase-in" or "abate" taxes by the temporary reduction of the assessment or the direct reduction of real property taxes on the subject property;
- (c) in no event shall the LESSEE be obligated, required or liable to pay as additional rent, or otherwise, any such real property tax increases attributed to alterations, additions, improvements or any other changes made to the Demised Premises for the sole benefit of parties other than the LESSEE;
- (d) any such additional rental payment shall be established on the Town of Hartford's fiscal year (July 1 to June 30) basis, and there will be an apportionment on a per-diem basis in regard to the last possible additional rental payment in the event occupancy by the LESSEE ends on a day other than June 30;
- (e) the LESSEE shall be relieved of all liability for increased taxes based on any revaluation of the Demised Premises by the municipality unless the LESSOR gives written notice by certified mail to the Commissioner of the Department of Public Works within ten (10) days of notice to the LESSOR by the municipality of the revaluation so as to permit the LESSEE to contest such revaluation if the Commissioner determines it to be appropriate. At the LESSEE'S request and expense, the LESSOR shall execute such documents, make such appearances and/or comply with any reasonable request of the LESSEE in connection with any such contesting. In the event that the LESSOR contests any such revaluation without written consent of the commissioner, the LESSEE shall not be responsible for any costs incurred by the LESSOR in contesting such revaluation;
- (f) following payment by the LESSOR of any tax for which the LESSOR is entitled to a reimbursement as hereinbefore provided, the LESSOR must present a copy of the

received tax bill to the Department of Public Works Commissioner no later than ninety (90) days after the due date for the payment of the last installment of the tax, in order to be entitled to reimbursement. The LESSOR'S failure to apply for reimbursement within the time herein specified shall terminate any responsibility of the LESSEE to make reimbursement; and

- (g) real property tax decreases, if any, based on the above shall be credited to the rent account of the LESSEE.

Subsequent to the satisfaction or occurrence of items (a) and (b) of this Exhibit, the LESSOR shall forward to the Department of Public Works and the State Properties Review Board, as per Article 10 (Notices), a certification by the assessor as to the assessed valuation of the Total Premises for the first assessment year in which 100% of the Demised Premises as improved for the LESSEE has been assessed for real estate tax purposes by the municipality.

OPTION TO PURCHASE

The LESSEE shall have the option to purchase the Total Premises at any time during the original lease term and during any extended or renewed lease terms or holdover periods, together with all rights and benefits that the LESSOR has in connection with the Total Premises, and together with any and all rights and benefits, including rights of way and easements, which the LESSOR may have in connection with the Total Premises and all structures, renovations, improvements and equipment thereon or to be located thereon, free and clear of all liens and encumbrances of any nature whatsoever, except those liens and encumbrances acceptable to the LESSEE. The purchase price shall be determined as set forth below. If the LESSEE elects to exercise the option to purchase the Total Premises, such election and exercise shall be subject to prior written approval of the State Properties Review Board. The LESSOR agrees that said option to purchase, if exercised by the LESSEE, shall provide a closing date for the purpose of conveying title to the LESSEE by warranty deed from the LESSOR. The warranty deed shall not become effective unless and until it has been (a) signed by the LESSOR; (b) approved by both the State Properties Review Board and the Attorney General, which approvals shall be evidenced by their respective signatures being affixed to the warranty deed; and (c) delivered to the LESSEE after such execution and approvals.

If the LESSEE elects to exercise its purchase option, the purchase price shall be the market value of the Total Premises as of the date that LESSEE provides written notice of its intention to exercise its option to purchase. The purchase price shall be determined as follows:

- a. Each party shall have five (5) days to select a qualified and licensed appraiser (the "Appraiser(s)") to perform an appraisal of the Total Premises, each at its own cost and expense. The Appraisers shall have at least five (5) years' experience appraising similar properties. Such five (5) years' experience shall be consecutive and shall immediately precede the appointment as Appraisers. The Appraiser chosen by each party shall be approved by the other party, such approval not to be unreasonably withheld or delayed.
- b. The Appraisers shall, within forty-five (45) days after the date of the last appointed Appraiser, each complete an initial appraisal of the Total Premises in accordance with USPAP Standards Rule 2-2 governing a Self-Contained Appraisal Report.
- c. The average of the valuations set forth in the initial appraisals shall be the purchase price, provided, however, that if the initial appraisals differ in valuation by more than ten (10%) percent, a third appraisal ("Additional Appraisal") shall be performed by an Appraiser, with the designation "MAI" who shall be selected by the initial two Appraisers within five (5) days after the determination of the valuations of the initial appraisals. The cost of the Additional Appraisal shall be borne equally by the parties. The Additional Appraisal shall be completed within thirty (30) days after the selection of the third Appraiser and such Additional Appraisal shall contain a complete Self-Contained appraisal report pursuant to USPAP Standards Rule 2-2. The LESSEE

~~shall have the option, but not an obligation, to purchase the Total Premises at the value contained in the Additional Appraisal.~~

If the LESSEE exercises the purchase option, upon completion of the construction, renovation and improvement work, or upon completion of the same at any time during the lease term or during any extension or renewal lease terms, the LESSOR shall assign to the LESSEE any and all guarantees or warranties that it shall have received from either its contractor or any of the suppliers of mechanical, electrical and plumbing equipment located in or on the said Total Premises.

EXHIBIT I

RIGHT OF FIRST REFUSAL

The LESSEE shall have a Right of First Refusal to purchase all or any part of the Total Premises at any time during the lease term, including during any extension or renewal term of the lease or any holdover period, if the LESSOR receives an offer from a bona fide third party in an arms-length transaction or negotiation, other than to or from an affiliate of the LESSOR. The exercise of such a right shall be subject to prior written approval of the State Properties Review Board. Within thirty (30) calendar days of receiving such an offer for the sale of all or any part of the Total Premises, the LESSOR shall deliver a written notice to the LESSEE setting forth the terms and conditions of the offer. If the LESSEE elects to exercise its Right of First Refusal, the LESSEE shall do so within thirty (30) days of receiving the written notice from the LESSOR. The LESSOR shall deliver the notice of the offer to the LESSEE by hand delivery, guaranteed overnight delivery service, certified or registered mail. If the LESSEE exercises its Right of First Refusal, the LESSEE shall be bound by the price of such bona fide offer and shall close within sixty (60) days after providing notification of its exercise of its Right of First Refusal, provided, however, that the LESSEE shall not be obligated to pay any brokerage commissions or brokerage fees. The LESSOR shall indemnify and hold the LESSEE harmless from any lease or sales commissions. If the LESSEE does not accept the price of such bona fide offer within the required time period, then the LESSEE'S Right of First Refusal shall be extinguished. Provided, however, that if the LESSOR does not complete the transaction with the third party making the bona fide offer to purchase, then and in that event, the Right of First Refusal shall be reinstated and become binding on the LESSOR and the LESSEE as if it had not been extinguished and shall continue in full force and effect during the term of the lease and during any extension or renewal term of the lease or any holdover period. The LESSOR represents and warrants that a bona fide offer must and shall be an "arms length transaction" by unrelated parties, each acting in its own best self-interest and in absence of any undeclared financial or other undisclosed and extraordinary inducement to purchase. The exercise of the Right of First Refusal shall include all rights and benefits included within the acceptable third party offer, free and clear of all liens, mortgages, notes and encumbrances not of record.
